Notice

Main club night Nantgaredig Rugby club

2023 Dates are published here but maybe subject to change if unforeseen circumstances arise

Updates of events can normally be found on Sections **FB** page or by word & mouth from section members.

If an event is cancelled for any reason by an organiser it must be relisted on **HQ website at least a week before a re- run takes place as it is the event permit for insurance purposes.**
(Les is the person to contact for this so he can change date if being run again).

Maybe good to check to see if an event is still taking place before leaving home especially if weather is looking poor, give the event organiser a call.
